

PROJETO ENGENHARIA NUM MINUTO

Sabia que, ainda hoje, existem rochas que são usadas como suporte de escrita?

08/11/2011

Alexandre Leite

Departamento de Engenharia de Minas da FEUP

The image is a screenshot of a website page. At the top left, there is a logo for 'ENG N' 1' in a red-bordered box. To its right is a banner image with technical drawings and the text 'ENGENHARIA 1 min.'. Below the banner, the page title is 'Lousas Escolares - 08.11.2011'. There is a search bar with the text 'search...' and a 'Search' button. A short paragraph of text follows, mentioning 'Falar em lousas escolares faz-nos recuar no tempo...' and a link to 'Média Move'. Below this is a video player showing a close-up of water flowing over dark, layered rocks. The video title is 'Lousas Escolares - 08.11.2011'. On the left side of the page, there is a vertical navigation menu with items: 'Home', 'Programas', 'Testemunhos', 'Recomendações', 'Projeto', 'Equipe', 'Agenda', 'Notícias', and 'Contactos'. At the bottom of the page, there is a footer with the 'U. PORTO FEUP FACULDADE DE ENGENHARIA UNIVERSIDADE DO PORTO' logo, contact information (address, phone, email), and copyright notice 'Copyright © 2013 FEUP Todos os direitos reservados.' along with various institutional logos.
