

Teachers online or facilitators?
Does it really make a difference?
Which competences are needed?

Alfredo Soeiro

18Apr23, Museu Oriente, PROF XXI Global Symposium

Teachers Online or Facilitators

- Who can teach online? (=anyone)
- EDEN Teaching Online Permit - qualification framework?
- Project FACILE - new profession?
- CDP Stanford - example?
- EUCEN Vienna, 2005 - Accreditation and Certification?

Does it really make a difference?

- **EUA Report - drop e of e-learning?**
- **Blog: distance vs traditional learning**
- **Proper pedagogy, andragogy and gerontagogy**
- **Learning styles**
- **Aligning assessment and learning outcomes**
- **Recognition**

Which competences are needed?

- Assessment machine learning
- Memory implants
- Simulation (virtual, augmented, immersive reality)
- Control
- Critical AI analysis (“The Master Algorithm” - Pedro Domingos)

Thank you!
